

LIFE MATTERS

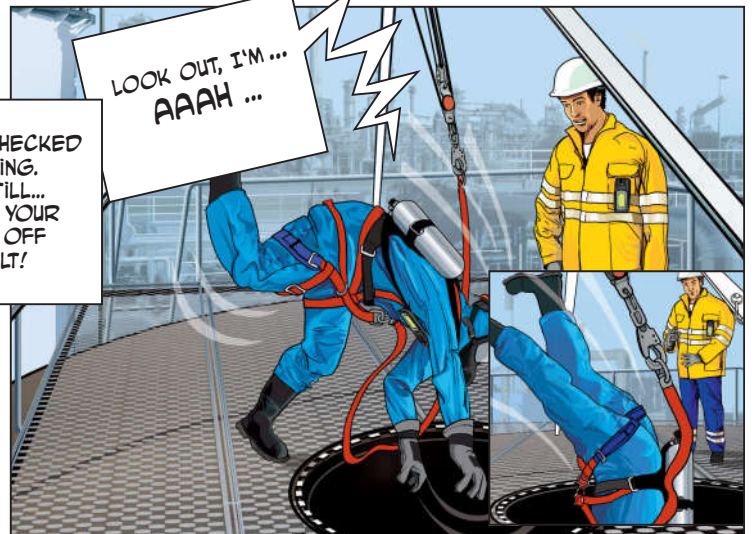

CLEANING A TANK TAKES TIME. IT STARTS WITH PREPARATION.

HOW LONG DO I HAVE TO KEEP WAITING AROUND FOR?

UNTIL I'VE CHECKED EVERYTHING. HOLD STILL... AND KEEP YOUR FINGERS OFF THE BELT!

THIS IS TAKING FOREVER... IT'S ALMOST LUNCHTIME!

LOOK OUT, I'M ... AAAH ...

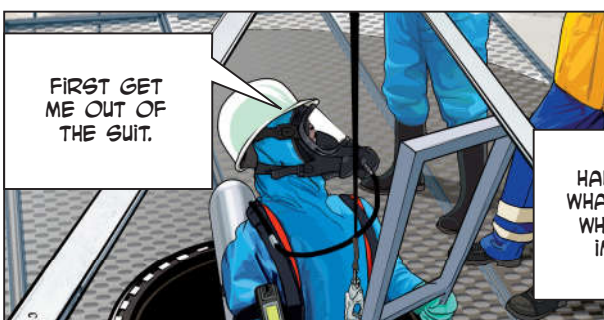

HAHA! YOU REALLY ARE IN A HURRY!

...AA... BLEW IT! GET ME OUT OF HERE. BUT SLOWLY.

THANKS, THAT WAS CLOSE. CAN YOU PLEASE GIVE ME A HAND...

FIRST GET ME OUT OF THE SUIT.

WHAT'S WRONG? READY FOR LUNCH?

HAHA! THAT'S WHAT HAPPENS WHEN YOU'RE IMPATIENT.

OH, I DON'T THINK I'M IN MUCH OF A RUSH ANY MORE.

ABOUT US

- Ahjar Safety is the safety business arm of Ahjar Al Andalus, set up in the sultanate of Onam in 2007.
- We are focused in providing safety solutions to the oil & gas, petrochemical, marine, military etc.
- We are an authorized supplier of Draeger Safety products & Micropack, United Kingdom.
- We provide solutions and services to your complex problems.

OUR PRODUCTS

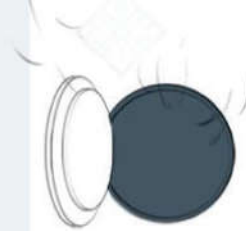

PORTABLE GAS DETECTOR

- Portable gas detectors detect toxic gases, oxygen deficiency, combustible gases and vapours.
- These detectors alert a worker early and increase occupational safety
- Choose from wide range of single and multigas detectors.
- Low operating costs

GAS DETECTION TUBES

- One of the most reliable and classic method of measuring gases.
- Used in firefighting, disaster management, environment protection etc.
- Measures up to 500 different types of gases.
- Inexpensive and easy to use.

FLAME & FIXED GAS DETECTOR

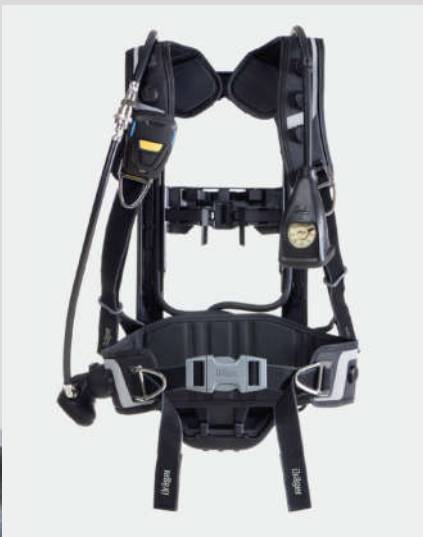

- Effectively detect flame and poisonous gases with a broad spectrum of sensors from Draeger.
- The fixed gas detectors detect more than 140 types of hazardous substances.
- Our Fixed gas detectors use infrared, catalytic-bead or open-path detection principles for detection.
- For Flame Detectors - apart from IR, UR, and UVIR detection, we also supply innovative Multi-channel IR Visual Flame Detection flame detectors.

ALCOHOL & DRUG TESTER

- Reliable breath alcohol tester from Draeger.
- Performs up to 12 tests a minute.
- Easy to use, Single button operation.
- Uses electrochemical (EC) sensor technology for accurate results.

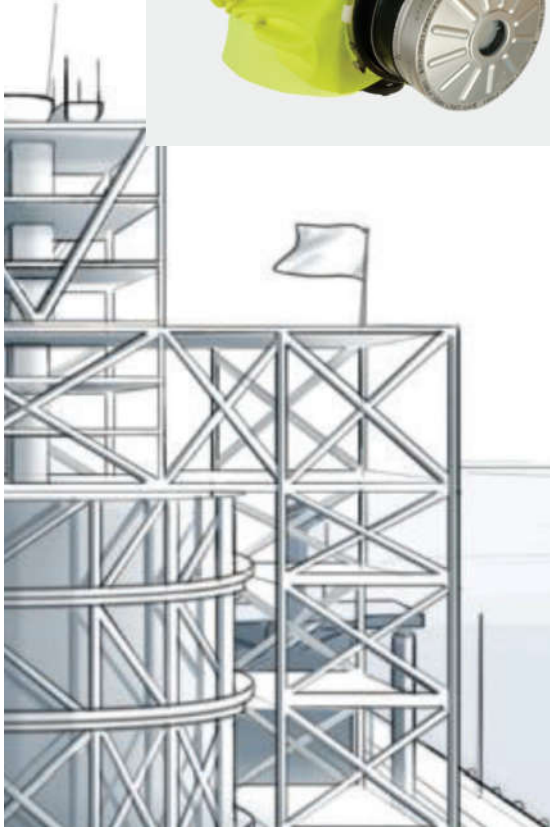

BREATHING APPARATUS

- Provides good comfort, durability and safety
- Built to satisfy the harshest demands and conditions.
- Innovative harness system to focus on task at hand.
- Simple to use even for inexperienced user.

RESCUE AND ESCAPE

- Protect users from toxic industrial and fire-related gases & vapours.
- Easy to deploy during emergencies.
- Provides reliable protection upto 16 years.
- Provides adequate escape time and least amount of maintenance.

REFUGEE SHELTER

- Provides refuge in emergency situations.
- Comes with a life support system to protect workers from danger.
- Strictly follows local and international regulations
- A safe haven with no compromise.

ELECTRICAL SERVICES

- We specialize in providing comprehensive solutions for your electrical product needs. When you choose our products, you entrust your workers and systems to our care.
- At Ahjar Services, we are dedicated to going the extra mile to ensure that our electrical products consistently deliver peak performance.
- Our range of services not only recognizes the significance of your investment but also strives to minimize downtime and enhance the efficiency of your operations. We do more than merely supply products.
- We are committed to optimizing their utilization in your workplace. This is why we craft tailor-made electrical service solutions that align perfectly with your specific requirements.
